

e-ton Viper RXL70

The new Viper 70 is the big boy ATV in the Viper family. Designed for the advanced rider ages 6 and over, the Viper 70 is the largest cc ATV available for this age class.

Viper 70 is a full featured youth ATV with its big 70cc 2 stroke engine coupled to the fully automatic C.V.T. transmission giving you all the power you need, when you need it.

Viper 70 come with all are standard safety features, like the wrist tether switch and is set to receive our optional Remote Start/Stop control unit.

Aggressive tire tread design to keep this unit moving through the most demanding terrain.

Fully adjustable front and rear shocks for a smooth, comfortable and stable ride no matter where those rides may take you.

The body design is by far the stand out feature of the Viper family and the modular configuration makes repairs a breeze.
